

## ROAD TRAFFIC ACT

I have been instructed by the organiser of the Gletschermarathon Pitztal on July 4th, 2021 that the road traffic regulations must be followed absolutely. The runners must run **on the right hand side of the road** for the whole route and it is not allowed to cut any corner!! The roads will only be closed partly, therefore it has to be reckoned on some traffic at any time. The participant is liable for any accident caused by disobeying the traffic regulations and responsible for any criminal proceedings resulting from the accident.

I agree to the privacy policy of the organizer.

The privacy policy can be found at [www.gletschermarathon.at/datenschutzerklaerung](http://www.gletschermarathon.at/datenschutzerklaerung).
